Twelve Steps of Alcoholics Anonymous

1. We admitted we were powerless over alcohol—that our lives had become unmanageable.
2. Came to believe that a Power greater than ourselves could restore us to sanity.
3. Made a decision to turn our will and our lives over to the care of God as we understood Him.
4. Made a searching and fearless moral inventory of ourselves.
5. Admitted to God, to ourselves and to another human being the exact nature of our wrongs.
6. Were entirely ready to have God remove all these defects of character.
7. Humbly asked Him to remove our shortcomings.
8. Made a list of all persons we had harmed and became willing to make amends to them all.
9. Made direct amends to such people wherever possible, except when to do so would injure them or others.
10. Continued to take personal inventory and when we were wrong promptly admitted it.
11. Sought through prayer and meditation to improve our conscious contact with God as we understood Him, praying only for knowledge of His will for us and the power to carry that out.

12. Having had a spiritual awakening as the result of these steps, we tried to carry this message to alcoholics and to practice these principles in all our affairs.

The only requirement for A.A. membership is a desire to stop drinking.” – Tradition Three

(Not affiliated with AA)

Alcoholics Anonymous is a fellowship of men and women who share their experience, strength and hope with each other that they may solve their common problem and help others to recover from alcoholism. The only requirement for membership is a desire to stop drinking. There are no dues or fees for AA membership; we are self-supporting through our own contributions. AA is not allied with any sect, denomination, politics, organization or institution; does not wish to engage in any controversy, neither endorses nor opposes any causes. Our primary purpose is to stay sober and help other alcoholics to achieve sobriety.

Open meetings may be attended by anyone, and all are invited to attend and learn about A.A. Closed meetings are open to anyone with a desire to stop drinking. Big Book meetings generally involve reading from the book, Alcoholics Anonymous, followed by a discussion of the reading. Speaker meetings usually have two speakers who share their experience, strength and hope in recovery. Step meetings involve reading from the book, Twelve Steps and Twelve Traditions, followed by a discussion of the step or

tradition read. Alcoholics Anonymous is organized at the group level. The individual groups use the twelve traditions as a guide to how they operate.
